DISAPPEARED.

Parents of 17-Year-Old Girl A. e Worried.

The parents of 17-year-old Ida Austin, 212 Bell st., have notified the police that the girl disappeared from home, Thursday morning and has not returned since. They are worried at her absence. The girl had remained away from home over night, a short time ago, and on returning home, she was unbridled, and apparently was sorry for the act. She started for her work, at the Diamond Rubber Co., in the morning, but did not work.

A Night Alarm.

Worse than an alarm of fire at night is the brassy cough of croup, which sounds like the children's death knell and it means death unless something is done quickly. Foley's Honey and Tar never fails to give instant relief and quickly cures the worst forms of croup. Mrs. P. L. Cordier, of Mankington, Ky., writes: "My three year old girl had a severe case of croup; the doctor said she could not live. I got a bottle of Foley's Honey and Tar. The first dose gave quick relief and saved her life." Refuse substitutes.

The Building of a Life.
Life is a building. It rises slowly day by day through the years. Every new lesson we learn lays a block on the edifice which is rising silently within us. Every influence that impresses us, every book we read, every conversation we have, every act of our commonest days, adds something to the invisible building.—J. R. Miller.

RIPANS

FACIAL BLEMISHES

Are most annoying to women. Some of them try to get rid of pimples and other skin affections by the application of creams and lotions and face bleaches and goodness only knows what, but that isn't the sensible thing to do. Cosmetics are deadly, and ruin the skin.

Complexions are properly built from within.

To get rosy cheeks and a cuticle clear

without any peer.

Take Ripans Tablets—they're

Clara Hosbach, living at 442 E. Girard ave., Philadelphia, Pa., writes: "I am 22 years old and do housework without much chance for outdoor exercise and have always felt more or less run down.

Reading the advertisement of Ripans Tablets in "The Record" I thought I would try the Tablets, and can say they did me more good than all other medicines I took put together. Formerly I had frequent bilious attacks, my skin was very sallow and at times broken out in pimples. Since taking Ripans Tablets, my color is bright, the pimples have disappeared and I feel like another person. I shall always be a firm believer in and a staunch friend of Ripans Tablets.

There is scarcely any condition of ill-health that is not benefited by the occasional use of a R. I. P. A. N. S. Tablet, and the price is for 5 cents, does not harm from any home or justify any one in enduring life that is easily cured. For sale by druggists.

Life Insurance Outside.

Life without health is worthless. Check the first symptoms of disease and health is assured. Blood gives the body life, and blood is formed by the digestive organs. Keep your stomach and liver in order, clear of congestion, and you will conquer disease. Upon the appearance of physical disorder take "St. Bernard Vegetable Pills." They are the best blood purifier in the world—safe, certain and agreeable. All druggists sell them.

F. E. B.

We heard a man say the other morning that the abbreviation for February—Feb.—means freeze every body, and that man looked frozen in his ulster. It was apparent that he needed the kind of warmth that stays, the warmth that reaches from head to foot, all over the body. We could have told him from personal knowledge that Hood's Sarsaparilla gives permanent warmth. It invigorates the blood and speeds it along through artery and vein, and really fits men and women, boys and girls, to enjoy cold weather and resist the attacks of disease. It gives the right kind of warmth, stimulates and strengthens at the same time, and all its benefits are lasting. There may be a suggestion in this for you.

DENIED IT

When He Sobered Up, But Story Proved True.

Ft. Wayne, Ind., Feb. 8.—Thomas Conroy, of Peru, came to town Tuesday and became intoxicated. Liquor made him repentant, and when he met a policeman he confessed that he had robbed his roommate, Nate O'Brien, at Peru. The policeman locked him up. When sobering Conroy denied the robbery story, but a telephone message to the Peru police elicited the information that the drunken story was the true one. Conroy has been taken to Peru.

Tired

that's all. No energy, no vim, no vigor, no ambition. The head aches, thoughts are confused, memory fails. Life becomes a round of work but half accomplished, of eating that does not nourish, of sleep that fails to refresh and of resting that never rests. That's the beginning of nervous prostration.

"I never had anything do me so much good as Dr. Miles' Nervine. I was tired, nervous, sleepless and worn-out; and Nervine cured me. I know of nothing so good for indigestion and general building up of the system."

Crippled Womanhood

No woman would hesitate a moment to have a physical deformity righted. Few women are lame and blind, but a majority of women to-day are crippled physically and mentally by female suffering. Irregular menses are sapping their lives and weakening their vitality. Bearing down pains, leucorrhoea and pains in the head, back, neck and limbs are disabling them so effectually that few women are found sufficient for all the demands of life. It is to these sufferers that

WINE OF CARDUI

Is offered to-day. That Wine of Cardui will cure you is supported by the fact that 1,000,000 women have secured relief from this wonderful emmenagogue. There are few cases where Wine of Cardui has failed to give relief. Presented with these facts can you go on suffering when your druggist is waiting to sell you this remedy which will give you strong nerves and perfect health? You need not be a cripple. All druggists sell \$1.00 bottles of Wine of Cardui.

East Florence, Ala., January 6, 1901.

I thank you for your kind letter and if I can be of any help to sufferers I will do all I can. There is no reason why so many women should suffer so, for Wine of Cardui cures all female weakness. I have thought for a long time I would write and tell you what Wine of Cardui has done for me. I had been a sufferer for ten years with all that could ail a woman. Wine of Cardui has done me more good than all the doctors ever did. I just think I can't live without it. I keep it all the time. I have taken about ten bottles of it and have recommended it to a great many friends and it has done wonders for them. It is a never-failing cure for women. I hope all will try it.

RODE ON CARS

And Only Nine People Attended His Services.

Brazil, Ind., Feb. 8.—A unique boy-cott is reported from Cloverland. The minister who is holding a revival meeting at the principal church there made a trip to this city on the street car, and as a consequence only nine persons attended the service last night, and the meeting will probably close. Most of his congregation are laborers, and their families and they are in sympathy with the street car strikers.

SLAPPED HIM

When He Took Her Tongue-Lashing Too Meekly.

Portsmouth, O., Feb. 8.—Mrs. Elizabeth Foster, of Lawson Heights, pleaded guilty here to assault and battery, and was fined \$4.80. Mrs. Foster had slapped a street car conductor whom she claimed had not stopped the car where she requested. She could not stand Conductor B. F. Loomis' quiet submission to her tongue-lashing, so she removed the glove from her hand and slapped him viciously. Loomis then offered to assist her from the car, but she refused his proffered

kindness and stepped unaided from the car. The conductor promptly caused her arrest for assault, with the result indicated. Mrs. Foster is of good family and her husband is a well known business man.

Saved Her Child's Life.

"In three weeks our chubby little boy was changed by Pneumonia almost to a skeleton," writes Mrs. W. Watkins, of Pleasant City, Ohio. "A terrible cough set in, that, in spite of a good doctor's treatment for several weeks, grew worse every day. We then used Dr. King's New Discovery for Consumption, and our darling was soon sound and well. We are sure this grand medicine saved his life." Millions know its only sure cure for coughs, Colds and all Lung Diseases. C. B. Harper & Co. guarantee satisfaction—trial bottle free.

Voices to Order.
